PROCEDURE FOR SLEEPING CHILDREN

If a child falls asleep whilst attending Pre – School the following steps will be taken to ensure the wellbeing of the child.

- The child will be placed somewhere warm and comfortable.
- A blanket or sheet will be placed over the child to keep their temperature constant.
- A member of staff will stay close to the child to prevent them from becoming distressed should they wake and be unsure as to their whereabouts and to keep other children from disturbing them.
- The child will be monitored every 10 minutes.
- Sleeping times logged.
- New parents will be asked about sleep times.
- 30 hour children will be asked about nap time.
- The Pre – School will inform the parent of the situation, and if the child is unwell will ask them to come and collect them as soon as possible.
